

Information for Employees

THERE ARE TWO FUNDS AVAILABLE TO MEMBERS OF CUPE LOCAL 3523:

1. IN-SERVICE FUND

- a. 80% reimbursement.
- b. Training must be directly related to your current School District posting.
- c. This is in addition to the one In-Service day per school year already provided by the District.

2. PROFESSIONAL DEVELOPMENT (PRO-D) FUND

- a. 80% reimbursement.
- b. Training must enhance your skills and prepare you for promotional opportunities (postings) within the District.
- c. Ensures access to training, seminars and educational programs to enhance ability to provide a high-quality service to School District No. 23 *within your current job classification*.

Funding will be allocated in an equitable and fair manner among all employee groups as determined by the Professional Development Committee. Applications will be evaluated on the nature of the training activity and its potential scope/benefit to the applicant's career, academic and/or professional development.

- The committee is composed of 3 CUPE members and 3 District representatives and meets several times each school year.
- CUPE members may apply anytime during the school year (July 1 - June 30).
- Funding is available for courses taken in BC or Alberta where similar training is *not available locally*. Courses elsewhere in Canada or the U.S. may not be approved.
- **Maximum reimbursement is \$1,000/member/school year.**
- Group applications will also be considered for funding. An example would be bringing a speaker or event to a school. **Pre-approval for group events is required.**
