Prior to entering into the training period, discussion shall take place between the parties of this Agreement in order to determine the manner and method of replacing the employee during training and the job to which the employee may return if unsuccessful in completing the training.

#### ARTICLE 13: SEVERANCE PAY

#### ARTICLE 14: DEFINITION OF EMPLOYEES

##### (a) Regular Employees

Regular employees are those employees who have been assigned to an established position and who have completed probation in accordance with Article 15(b). This includes full and part-time employees.

##### (b) Temporary Employees

Temporary employees are those employees who replace regular employees on leave or who are hired for specific projects.

- (c) The following groups of employees shall receive 10% per hour in lieu of short term disability (Article 28), paid leaves of absence (Article 33), benefits (Article 32) and clothing allowance (Article 36(g)):

- (i) regular employees on layoff who are called for temporary work under Article 16(f), on expiration of the two-month period under Article 16(g);
  - (ii) temporary employees with seniority;

The payment shall not be made when an employee relieves in a position regularly scheduled less than half-time unless the employee works half or more of the normal weekly hours.

- (d) On expiration of the two-month period under Article 16(g), a regular employee on layoff may opt at the time of initial layoff to continue on the regular benefit plans provided the plan permits. In such case the employee shall be responsible for payment in advance of both shares of the premium costs for two (2) months at a time.

## ARTICLE 15: SENIORITY

- (a) Definition

Seniority is length of service with the Employer and, except as provided for in Articles 15(b) and 15(c) with respect to temporary employment, shall date from the original date of commencing work.

The Employer shall maintain a seniority list showing the commencement date of each employee's seniority. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in April of each year. The Employer shall be notified within thirty (30) days of any errors. The determination of seniority shall be in accordance with the earning system in effect at the time of the alleged error.

Seniority shall operate on a bargaining unit-wide basis.

As of July 1, 2003, when two or more new employees commence work on the same day the procedure for establishing their relative seniority shall be as follows:

- (i) In the event of a tie the person who received the first initial formal interview by date and time shall have the greater seniority.

- (b) Regular Employees' Attainment of Seniority

Newly hired employees appointed to established positions shall be on probation for sixty-five (65) of the employee's working days or six (6) calendar months, whichever comes sooner from the date of commencing work. During the probationary period employees shall be entitled to all rights and privileges of this Agreement unless

otherwise provided, except with respect to discharge. The standard of discharge for probationary employees shall be lack of general suitability for continued employment.

On completion of probation in the established position, seniority shall be effective from the original date of commencing work and any days actually worked as a temporary employee within the preceding twelve (12) months shall also be counted as time accumulated for seniority purposes. The date of commencing work where temporary work is to be counted shall be determined by retroactively adding the number of working days equal to those actually worked by the employee to the date of commencing work as a regular employee. A statutory holiday shall be considered a day of work.

(c) Temporary Employees' Attainment of Seniority

Temporary employees shall be placed on the seniority list when they have completed one hundred and twenty (120) days, including paid statutory holidays, in the preceding twelve (12) months. The date of commencing work for seniority purposes shall be twenty-four (24) weeks prior to the day immediately following the one hundred and twentieth (120<sup>th</sup>) day.

Where a temporary employee who has been placed on the seniority list is appointed to an established position, the probation period shall be waived and the employee shall be deemed to be a regular employee. Such employees shall serve the trial period required by Article 17(c). In the event the employee is unsuccessful in the trial period, the employee shall revert to temporary status.

(d) Seniority During Absence

If an employee is absent from work because of sickness, accident, layoff, or leave of absence approved by the Employer, the employee shall not lose seniority rights.

An employee shall lose seniority in the event that the employee:

- (i) is discharged for proper cause and is not reinstated;
- (ii) resigns;
- (iii) is absent from work in excess of five (5) working days without notifying the Employer unless such notice was not reasonably possible;
- (iv) fails to return to work after a layoff within seven (7) calendar days, after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed in writing of a current address;
- (v) is laid off and not re-employed within twelve (12) months after layoff;
- (vi) does not accept offered work for a minimum of twelve (12) shifts per each one-half year and is not on an approved leave.

### Interpretation

One-half year shall be defined as the period from February 1 to July 31 and August 1 to January 31 in any calendar year.

All employees on sick leave, pregnancy leave, parental leave, general leave or any other approved leave shall be exempt from the requirement outlined in Article 15(d) (vi).

(e) Transfers and Seniority Outside the Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without consent. If an employee is transferred to a position outside of the bargaining unit, the employee shall retain seniority acquired at the date of leaving the unit, but will not accumulate any further seniority. If such an employee later returns to the bargaining unit, the employee shall be placed in a job consistent with seniority. Such return shall not result in the layoff or bumping of an employee holding greater seniority.

(f) Retention of Seniority Rights

In the event that the Employer shall merge, amalgamate or combine any of its operations or functions with another Employer, the Employer agrees to the retention of seniority rights for all employees coming within the new bargaining unit of the successor Employer.

### ARTICLE 16: LAYOFF, BUMPING AND RECALL

(a) General

Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, reduction of hours, bumping and recall, the governing principle shall be seniority, except as otherwise provided.

Temporary employees not on the seniority list shall not be entitled to bumping and recall rights.

(b) Procedure

The Employer shall determine which position(s) is/are to be terminated or reduced in hours. Where positions are interchangeable and not tied to geographic location, the position(s) occupied by the most junior employee(s) shall be terminated or reduced.

(c) Notice

In the event of reduction in the workforce, the Employer shall serve written notice on those employees who will be laid off or have their hours of work reduced, as follows:

- (i) Regular employees - not later than thirty (30) calendar days prior to the effective date of layoff or reduction of hours;
- (ii) Temporary employees on the seniority list - not later than seven (7) calendar days prior to the effective date of layoff;
- (iii) Where recall from layoff is for a temporary period of less than fifteen (15) working days, notice under this clause shall not be required for subsequent layoff.

Such notice shall advise the employee of the right to bump and shall contain a copy of the seniority list with the job titles, locations and work assignments of all employees with less seniority than the employee.

(d) Bumping

An employee whose position is subject to layoff or reduction of hours shall be entitled to bump a junior employee provided the employee is qualified to perform the duties of the position occupied by the junior employee. If an employee is in the process of preparing for the required qualifications at the time of notice of layoff or bumping, the employee shall be allowed to bump provided the qualifications are achieved before the scheduled date of assuming the position. The laid off employee, whether part-time or full-time, may bump either a part-time or full-time employee. Where a temporary position occupied by a regular employee is terminated, the employee shall revert to the employee's previous position.

The employee shall exercise the right to bump by informing the Employer of choice(s) within five (5) working days of receiving notice under (c) above. Where an employee declines to exercise the right to bump, the right shall be forfeited for that layoff or reduction. By mutual agreement between the Employer and the Union, the five (5) working days may be reduced to three (3) working days.

Where an employee exercises the right to bump and subsequently is unable to perform adequately the duties of the position, the employee shall have the right to bump only the most junior employee whose position the employee is qualified to fill.

(e) Recall

- (i) Employees who are laid off or bumped shall be recalled in writing to their former position when it becomes vacant. "Former position" shall mean the last regular position to which the employee was appointed by way of job posting or initial hire.
- (ii) Where the former incumbent on layoff is not the senior person on layoff, the most senior laid off employee shall be recalled to the position subject to recall.
- (iii) Where hours are increased to their former level or higher and the previous incumbent exercised the right to bump, that employee shall have the right to

recall. Where the former incumbent declines recall, the present incumbent will be maintained in the position with increased hours.

- (iv) Where a position becomes vacant and the former incumbent is no longer available or declines the recall, the vacancy shall be posted in accordance with Article 17. Vacant positions which were not affected by layoff or bumping shall be posted in the normal manner.
- (v) Subject to Article 15(d)(v), recall rights shall be maintained by an employee for a period of two (2) years.

(f) Temporary Work

Employees with seniority who are laid off shall inform the Employer in writing, on the form provided, of the nature and location of temporary work to which they wish to be called. The Union shall be provided with a copy of the form.

Employees shall be called to such work in seniority order so that no qualified employee is involuntarily without work while a more junior employee is working.

Employees with seniority whose temporary work ceases shall not have the right to displace another employee whose temporary work will continue for less than a further two (2) weeks.

(g) Continuation of Benefits

The Employer agrees to pay its share of the monthly premium of the medical, extended health, dental and group life plans up to two (2) months for regular employees who have been laid off.

(h) Annual Summer Layoff of School Term Employees

Except for (g) above, this Article shall not apply to the annual summer layoff of school term (nominal ten-month) employees. The availability of summer work for such employees shall be determined by the parties in accordance with past practice.

(i) Recall Rights or Resignation Options

Upon being laid off an employee shall have thirty (30) days in which to opt for recall rights under Article 16(e) or to resign. Upon resignation the employee shall be paid one (1) week's pay for each complete year of service up to a maximum of twenty (20) weeks' pay. This option shall only be available to an employee who has been a regular employee for at least one (1) year and who has exhausted bumping rights under Article 16(d).

## ARTICLE 17: PROMOTIONS AND STAFF CHANGES

### (a) Job Posting

- **Bus Drivers – Sports Events**

1. The driver will automatically be on lay-off on the days for which no sports are scheduled.
2. All hours worked up to eight hours on a shift will be paid at straight time.
3. All hours worked beyond an eight-hour shift will be paid at the appropriate overtime rate according to the current Collective Agreement.
4. The driver will be on call, according to seniority, for relief work on the days for which no sports are scheduled.

- Interpreters

Interpreters shall receive one (1) week's notice of any shift change required for bona fide reasons based on providing services to the designated student. Should an Interpreter agree to return to work for an event, they will be paid a minimum of two (2) hours at overtime rates (time and one half) and shall be paid from the time they leave their home to report for work until they arrive back upon proceeding directly from work. Should he/she work beyond two (2) hours, the time beyond two (2) hours will be paid at double time.

- Aboriginal Student Advocates

Given the unique nature of the position of Aboriginal Student Advocate, employees in this position will be able to exercise their professional judgment and alter their normal work schedule. It is expected their daily work hours will be consecutive and will fall between 7:00 a.m. and 6:00 p.m. Monday through Friday.

- Rescheduling Hours of Work

The parties agree that no shift change notice is required for the Settlement Worker or Traffic Safety Officer positions.

The parties agree that, on occasion, a shift change may result in an employee working beyond 5 p.m. and, in such an event, that employee will not be compensated at overtime rates provided the employee does not exceed his or her normal daily hours of work. For purposes of this clause, "on occasion" shall mean a maximum of six (6) times per year.

## **APPENDIX 1**

Pay Equity Implementation Agreement (Revised)  
between  
School District No. 23 (Central Okanagan)  
and  
CUPE Local 3523

The parties to this revised pay equity implementation agreement had previously agreed to a job evaluation plan with banding that had received initial approval of the Public Sector Employers Council. The implementation of the Job Evaluation program was funded by PSEC as per the PSEC guidelines and Pay Equity Regulations.

In January of 2000 the parties as a result of the signing of the Interim Accord on January 24, 2000 agreed to a Pay Equity Review.

The Pay Equity Review section is reproduced below for clarity.

The parties agree that pay equity is intended to address systemic, gender based wage discrimination experienced by female employees, but ***is not intended to prejudice the interests of male employees.***

The Parties agree that the implementation of Pay Equity Plans must be based on principles of fairness, consistency and equity across the sector. To this end, they also agree to the appointment of a two-person panel to review, in detail, all the pay equity implementation plans in the K-12 sector for consistent application of the above principles.

The Union and the Employer shall meet within 5 days to agree on a terms of reference of the review and the panel nominees. The review shall be completed within 30 days of the signing of this interim accord and the panels report and recommendations shall be incorporated into the final Accord.

In the interim, until the review is completed, the Parties agree that implementation agreements for pay equity plans not yet approved by PSEC will not include red-circling of incumbents.

This review was completed in early March of 2000 and as a result the agreement between SD 23 and CUPE Local 3523 was identified as one of the agreements that might not be consistent with the principles outlined in the Interim Accord.

To that end the parties to this agreement have met and reviewed the previous agreement and as a result have addressed changes in that agreement as follows:

The parties agreed on February 13, 2001 to change the wage schedule by adopting the rates of pay shown in Appendix “A” of the July 1/97 to June 30/03 Collective Agreement as amended and revised for costing purposes November 6, 2000.

This will provide new male and female wage lines based upon the following criteria.

1. Minimum Points – 250      Maximum Points – 775.
2. Band Width – 40 points.
3. Minimum Target rate - \$14.79 (1995/96 rates).
4. Differential between pay bands - \$.71.
5. Number of pay bands – 14.
6. Includes noon hour supervisor, noon hour supervisor special education, and crossing guards who are regularly scheduled employees.
7. Total cost of this agreement is 9.47% of CUPE payroll.
  - a) Male cost is 1.94% to raise the males to the appropriate rates
  - b) Male cost includes the cost of grandparenting incumbents at the collective agreement rate where the rate would be less in a full JE implementation.
8. Weights – the weighted point values agreed to are:

Factor	1	2	3	4	5	6	7	8
Con	20	40	60	80	100			
Ed	21	43	64	86	107	129	150	
Err	20	40	60	80	100			
Exp	19	38	56	75	94	113	131	150
Hum	8	17	25	33	42	50		
Judge	25	50	75	100	125	150		
PD	20	40	60	80	100			
SD	20	40	60	80	100			
WC	20	40	60	80	100			

9. Job Ratings – total points assigned to each classification are shown in Appendix “B” of the July 1/97 to June 30/03 Collective Agreement.
10. Pay Equity Calculations are shown in Appendix “C” of the July 1/97 to June 30/03 Collective Agreement. The cost of Pay Equity is 7.96%. However, the cost of female adjustments in this agreement are equal to  $9.47\% - 1.94\% = 7.53\%$ .

In addition to the revised pay plan that was developed in order to attain the principles of fairness, consistency and equity across the sector the parties have agreed to reallocate a portion of monies paid out of wage increases in 1994 and 1996 to male dominated jobs to ensure the full implementation of both the pay equity portion and of the banding scenario at the same time.

This reallocation is done without cost to SD 23 as it simply reallocates monies within the current pay plan to the new pay plan.

Pay Equity adjustments shall be made as follows:

April 1, 2000 - a fraction of the difference between the current rate and the target rate (subject to receipt of government funding)

April 1, 2001 - a fraction of the difference between the current rate and the target rate (subject to receipt of government funding)

April 1, 2002 - a fraction of the difference between the current rate and the target rate (subject to receipt of government funding)

April 1, 2003 – the remaining difference between the current rate and the target rate (subject to receipt of government funding)

The parties have further agreed to apply for the remainder of the 1% pay equity funding (year 3) from April 1, 1999 that was not used in the previous pay equity program. This will be applied as part of the April 1, 2000 anticipated adjustments.

Employees who move involuntarily by reason of layoff (including being bumped) or who are recalled to a former position shall receive one of the following rates:

- Where There is One Current Rate of Pay

If the employee's rate before the move equals or is less than the current rate of the new position to which the employee is moving then the employee receives the new current rate; otherwise, the employee receives the target rate.

- Where There are Two Current Rates of Pay

If the employee's rate before the move equals or is less than the lower current rate for the new position to which the employee is moving, then the employee receives the new lower current rate; otherwise, the employee receives the new higher current rate OR if the employee's rate before the move is greater than the new higher current rate, then the employee receives the new target rate.

Employees who move voluntarily to a position of a different number by way of posting shall receive the current rate for the position to which they post.

Employees who move to another position of the same job number retain their current rate.

The parties have agreed that they will participate in a mutually agreed training program regarding job evaluation/pay equity maintenance.

Finally the parties have agreed to address the matter of grandparenting/red-circling as follows:

- All employees shall receive the current negotiated rate for their position except for those employees who are deemed to be red-circled.
- Those red-circled employees will be grandparented and will receive any current or future wage increases as long as they remain in a job identified by the same job number or until the current rate equals or exceeds the red-circled rate.
- Current rate for the purpose of this agreement means the negotiated rate in effect on the date of implementation of a rate change (through negotiated rate increases or pay equity/job evaluation adjustments) or the rate in effect on the date of a grandparented employee's new assignment.

RE: WORK LOCATIONS ON POSTINGS: INDIGENOUS STUDENT ADVOCATES

The parties recognize the importance of maintaining continuity of relationships between Indigenous Student Advocates and their students.

For Indigenous Student Advocates, job postings will identify the Zone as below and the school(s) the employee will initially be assigned to. Zones will be identified as follows:

- Westside Zone: All schools that feed into MBSS
- Central Zone: All schools that feed into KSS or OKM, plus Central School
- North Zone: All schools that feed into RSS or GESS

If changes in assignment are required during the school year, every effort will be made to keep Advocates in their Zone.

Prior to the start of each school year, the District and the Union will consult with existing Advocates to determine if any are interested in changing Zones to fill vacancies. Appointment will be by seniority. Any new Advocates hired by the District after this process will be assigned to the Zone where the resulting vacancy exists.

The above Letter of Understanding is a renewal from June 2014 and November 26, 2019 and is renewed as of January 22, 2023.

RE: AUTOMOBILE ALLOWANCE – POSTED RELIEF CUSTODIANS

Relief custodians will be paid an automobile allowance, at the rate specified in the Collective Agreement. Mileage is to be paid from the closest school to the Posted District Relief Custodian's home to the school assigned.

It is agreed that the relief custodian is not required to drive to the closest school from the roadway on the way to and from his assigned school, but that the distance (from the closest school to the roadway and returning to the closest school) should be included in the mileage claim.

Example 1:

A relief custodian who lives in Penticton and works out of Mt. Boucherie would be paid mileage from Peachland Elementary to Mt. Boucherie, and from Mt. Boucherie to Peachland Elementary, as well as any mileage for assigned work during the day such as travel from Mt. Boucherie to Glenrosa Middle School if work was required at GMS during the day. Mileage calculation would then conclude at Peachland Elementary at the end of the work day. The custodian, on his/her way from Penticton to Mt. Boucherie, would not be required to drive from the highway to and from Peachland Elementary – the actual mileage from Peachland Elementary to Mt. Boucherie would be claimed, and mileage to and from the highway to Peachland Elementary would be added to the calculation.

Example 2:

A relief custodian who lives in Vernon and works out of George Elliot would be paid from the closest school to the posting applicant's home (Oyama Elementary) to the school assigned for the relief position (e.g.: George Elliot Secondary) on the way to work, and then from the assigned school to Oyama Elementary on the way home. It is agreed that the relief custodian is not required to drive to Oyama Elementary from the highway on the way to and from his assigned school, but that the distance of 1 kilometer (the distance from the highway to Oyama Elementary) should be included in the mileage claim (e.g.: the actual distance from Oyama Elementary to George Elliot Secondary will be claimed).

It is agreed that for any travel between locations during the work day, mileage will be paid in full.

## LETTER OF UNDERSTANDING #6

BETWEEN:

BOARD OF EDUCATION  
SCHOOL DISTRICT No. 23 (CENTRAL OKANAGAN)

AND:

CANADIAN UNION OF PUBLIC EMPLOYEES  
LOCAL 3523 CENTRAL OKANAGAN

RE: CERTIFIED EDUCATION ASSISTANT (CEA) POSTING AND BUMPING

1. This letter of understanding replaces and supersedes the previous letter entitled **Certified Education Assistant (CEA)**.
2. Except for relief employees, CEAs will be regular employees subject to all provisions and entitled to all rights and benefits of the Collective Agreement, except as modified by this Letter of Understanding.
3. The letter recognizes the distinction between School-Based CEAs assigned to a school and Student-Based CEAs assigned to a specific student or students.
4. The parties agree that the nature of the work undertaken by CEAs may require flexibility in regard to the posting and bumping provisions of the Collective Agreement. Such flexibility is not in any way intended to limit the rights of the CEA, but in recognizing the potential for disruption to students during the school year, may justify postponing the exercising of these rights.
5. If during the school year it is required that additional time be granted to a CEA, such hours may be granted on a temporary basis without posting. These additional CEA hours shall be offered by the Principal, by seniority to CEAs who can work the additional hours.
6. Student-Based CEAs
  - 6.1 In the event that a student assigned to a Student-Based CEA moves to another school in the district or leaves the school after September 30 of the school year, the Student-Based CEA will have the option of moving to the student's new location within the District or may request that he/she remain at the school to which the CEA is currently assigned.
  - 6.2 A CEA who remains in the school must post to another position during the spring staffing period. This means that if a CEA does not apply for a CEA position with the same or greater hours and pay grade, that CEA will lose

bumping rights. If the CEA is unsuccessful in attaining a satisfactory position during the spring staffing period, the CEA shall be able to bump into another position. Satisfactory position is defined as the CEA being successful in a posted position with the same or greater hours at the same or higher pay grade. However, if a CEA chooses to apply for a position of fewer hours or at a lower pay grade during the spring staffing period and is successful, then that CEA has attained a satisfactory position.

- 6.3. Should it be necessary for the Employer to move the CEA to either another position in the District or to the relief list, the CEA will have the right to post or bump as described in 6.2.
- 6.4. All Student-Based CEAs will maintain the hours and pay grade of the position to which they were originally posted or were originally assigned until the end of the school year. If the assignment is after October 31 then the CEA hours and pay grade will be maintained if the assignment goes beyond the trial period.
- 6.5. A Student-Based CEA who takes a temporary assignment pursuant to Article 17(b) will not have the temporary hours or pay grade maintained beyond the temporary assignment.

## 7. School-Based CEAs

- 7.1. In the event that the number of identified students in a school decreases, after September 30 of each school year, the most junior School-Based CEA in that school will have the option of moving to the relief list, moving to a vacant temporary position, or may request to stay at the school to which he/she was originally assigned.
  - 7.2. Should the CEA choose the relief list, another temporary position, or should it become necessary for the Employer to move the junior CEA to another school, the CEA must post for vacant positions in the spring staffing period. If the CEA is unsuccessful in attaining a satisfactory position during the spring staffing period, the CEA shall be able to bump into another position.
  - 7.3. All School-Based CEAs will maintain the hours and pay grade of the position to which they were originally posted or were assigned until the end of the school year.
8. No CEA will be allowed to bump a Student-Based CEA who has been given an assignment to provide individualized attention to a specific student or students (Job # 871, 872, 873, 874 or 975 and any other Job that may be defined by the Joint Job Evaluation Committee during the course of this agreement).

9. Spring Staffing Period

Article 17 of the Collective Agreement, Promotions and Staff Changes, shall be applied in the following manner for CEA positions:

- 9.1 On or before June 1 each year, any identified vacancies for CEAs, commencing in September, will be posted and filled by June 30.
- 9.2 The posting procedure and the bumping pursuant to 6.2 and 7.2 of this Letter shall be completed by June 30 of each year.
- 9.3 Vacancies filled, on a temporary basis during the school year, shall be posted and filled prior to June 30 of that school year.

10. Fall Staffing Period

- 10.1. Any vacancies occurring after postings close in the spring staffing process shall be posted in the second week of August each year. These postings shall be open for five (5) days.
- 10.2. Vacancies resulting from the postings in 10.1 shall be posted by the fourth week of August each year. These postings shall be open for five (5) days.
- 10.3. Any vacancies occurring after the postings in 10.2 above, shall not be posted, but shall be offered to CEAs on the layoff list by seniority, and then to relief CEAs by seniority. There is no limit to the number of times a CEA may decline an offer of employment.
- 10.4. Vacancies which will continue the following school year will be filled, on a temporary basis during the school year, shall be posted and filled prior to June 30 of that school year.

11. Notwithstanding the absence of a student to whom the School-Based or Student-Based CEA is assigned:

- 11.1 The CEA (School-Based or Student-Based) shall report for work and shall perform such duties as are assigned by the Employer on non-instructional days, or where the student's absence is ten (10) school days or less.
- 11.2 Where the student to whom the Student-Based CEA is assigned is absent for more than ten (10) school days, the CEA shall be offered temporary work from the relief list for the duration of the absence with the same number of hours and pay grade.
- 11.3 Where there is a temporary reduction in hours for more than ten (10) school days because of student absence and work for all the School-Based CEAs is

not available at that school, the junior CEA at the school shall be moved onto the relief list with the same number of hours and pay grade.

12. The two (2) parties agree to meet on an annual basis to review the educational and other implications of this Letter of Understanding for children, classes, schools, and CEAs.

The above Letter of Understanding is a renewal from June 2014 and November 2019 and is renewed as of January 22, 2023.

RE:

PROVINCIAL ACCORD RE SCHOOL YEAR LAYOFFS

The Public Sector Accord on K-12 Support Staff Issues contains the following provision:

### Government Funding Flows

*To address the structure and operation of government funding flows, Government will commit to ensuring that the funding allocation formula used to calculate the preliminary funding (spring) for districts will be utilized to calculate final funding (fall) allocations to districts. Further, it will commit to providing school districts with the technical ability to calculate final funding allocations during the month of September. School districts and local unions agree to cooperate in implementing the operational practices/parameters to facilitate the achievement of the staffing process contemplated by this element of the Accord. This includes identifying ways to address emergent circumstances occurring after September 30<sup>th</sup>. In return, school districts will commit that regular (continuing) support staff employees in positions as at September 30<sup>th</sup> will not be declared surplus (laid off) to the districts for that school year.*

The parties agree that this provision applies to all regular and probationary employees in regular positions as at September 30, of each year for the life of this Letter.

In the event that an employee is to be laid off or to have a reduction of hours, the provisions of Article 16 shall apply to employees other than CEA's. CEA's shall be governed by the Letter of Understanding re: Certified Education Assistants. There shall be no reduction of normal compensation for employees covered by this provision prior to the end of the school year unless the employee declines reasonable alternate work.

Where an employee alleges that the alternate work offer is unreasonable, the parties shall meet to resolve the matter. Failing agreement, the matter shall be determined through expedited arbitration within the thirty (30) day notice period for layoff.

The above Letter of Understanding is a renewal from June 2014 and is renewed as of November 26, 2019.

CANADIAN UNION OF PUBLIC EMPLOYEES  
LOCAL 3523 CENTRAL OKANAGAN

RE: Strong Start Coordinator

1. Effective July 1, 2009, the Employer will create the position of Strong Start Coordinator responsible for delivery of the Strong Start Program. The Employer will identify the requisite qualifications, fitness and ability consistent with the program objectives and direction of the Ministry of Education.  
  
The Employer has agreed to the creation of the Strong Start Coordinator position within the bargaining unit represented by the Union. The Union has agreed to the terms of this Letter of Understanding to recognize the distinct character of the pre-school Strong Start Program. In extending this voluntary recognition, the Employer does not concede it was obliged to post and fill the positions under the Collective Agreement. It extends recognition without prejudice to the stand it may take in the creation of new positions, other than Strong Start Coordinators, in the future.
2. With the inclusion of the current and future Strong Start Coordinator positions under the Collective Agreement, the Employer has set the qualifications, fitness and ability in the attached Schedule 1. The Union acknowledges the Employer's right to set the qualifications, fitness and ability and agrees that the qualifications established in Schedule 1 are fair and equitable. It is understood that any future variation of the qualifications, fitness and ability by the Employer will be subject to challenge if the Union does not believe the variation is a proper exercise of management and contractual rights under the Collective Agreement.
3. The Employer and Union acknowledge these newly-created and included positions under the Collective Agreement will be subject to review under the Job Evaluation Committee Maintenance Procedures Letter of Understanding. Rates of pay established under the Job Maintenance Plan will be effective July 1, 2009.
4. In recognition of the character of the Strong Start Program, similar to the recognition given to the distinct character of some other programs and positions under the Collective Agreement, the Union and Employer have agreed that in addition to the terms contained within Article 16(d), the following shall apply to the position of Strong Start Coordinator:

*“The employer reserves the right to deny an employee to bump into a Strong Start Coordinator position if this would create a negative impact on the Strong Start Program.”*

5. The times of the year at which the Strong Start Program will be offered and whether it will always be tied to the school calendar are uncertain. It is agreed that as a ten- month program, the annual vacation for the Strong Start Coordinator is to be scheduled so there is no interruption with the delivery of the program. The Union and Employer have agreed that in addition to the terms contained within Article 27 of the Collective Agreement, the following shall apply to Strong Start Coordinators:

*“Strong Start Coordinators*

*Strong Start Coordinators will take their annual vacation during Christmas and Spring Break or otherwise when the program is not operating.”*

6. The daily operation of the Strong Start Program does not mirror the K-12 education programs or the school day. The Union and Employer have agreed to recognize this in the application and administration of Articles 23(c) and 23(d) the hours of work provisions of the Collective Agreement. The parties agree to the following paragraphs:

*“Minimum Hours*

*The parties agree that, having regard to the unique nature of the position of Strong Start Coordinator, the needs of the program and the requirement for flexibility in scheduling hours of work outside of the hours of operation of the Strong Start Centre, the four-hour minimum shift shall be interpreted as an average four hours work daily over the course of a four week period.*

*Break Periods*

*The parties agree that the paid rest period contemplated by Article 23(d) shall be taken during times that will not interfere with the operation of the Strong Start Centre.”*

7. This Letter of Understanding is without prejudice to the Employer, the Union and the BC Public School Employers’ Association.
8. The Union and the Employer agree that this Letter of Understanding will continue until such time as the Union and the Employer agree to terminate or amend the Letter of Understanding.

The above Letter of Understanding is a renewal from June 2014 and November 2019 and is renewed as of January 22, 2023.

## **Provincial Framework Agreement ("Framework")**

**between**

**BC Public School Employers' Association ("BCPSEA")**

**and**

**The K-12 Presidents' Council and Support Staff Unions ("the Unions")**

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

### **1. Term**

July 1, 2022 to June 30, 2025

### **2. Wages Increases**

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

### **3. Wage Increase Retroactivity**

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

#### **4. COLA Adjustment**

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

#### **5. Public Sector Wage Increases**

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:

- a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

## 6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.
